

CAPSPECIALTY ARCHITECTS AND ENGINEERS PROFESSIONAL LIABILITY

CapSpecialty's Architects and Engineers professional liability product is designed for professional design and engineering firms, with a particular focus on those that have experienced a severe claim event or a frequency of claims in their recent history. CapSpecialty's underwriting team understands each insured has a story and remains committed to analyzing each firm's distinct loss history, including the circumstances that gave rise to the claim, the insured's assessment of the situation and the remedial measures enacted to prevent reoccurrence.

CapSpecialty.com

CapSpecialty® is the branding name for the Property, Casualty, and Specialty operations of CapSpecialty, Inc. and its subsidiaries. Products and services are written or provided by subsidiaries or affiliates of CapSpecialty, Inc. This purpose of this material is for insurance marketing purposes only and not a solicitation of insurance. The coverages described herein are included for the sole purpose of providing a general reference tool concerning the nature and type of the coverages that may be available. Not all products and services are available in every jurisdiction, and insurance coverage is governed by actual policy language. Certain products may be provided by a surplus lines carrier. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds. ©2020 CapSpecialty, Inc. All rights reserved.
